**Jason Miller**  
**Chief Financial Officer**

Prior to joining UATP as Treasurer & Controller in June 2008, Jason was a Senior Manager with Marriott International's Accounting Policy Group where his responsibility was focused on ensuring the Company's compliance with SEC Reporting requirements. Prior to joining the Accounting Policy Group, Jason had experience with Marriott International's Internal Audit Department where he was responsible for both International Property audits as well as corporate compliance testing including certain Sarbanes Oxley responsibilities. Prior to joining Marriott, he was a Manager with KPMG LLP where he focused on the audits of Federal Government clients. Jason started his career with Ernst & Young LLP where he focused on audits of Public Corporations, family owned businesses, healthcare organizations, and emerging technology companies. Jason holds a Bachelors of Science in Business Administration with a concentration in Accounting from the Indiana University of Pennsylvania and is a CPA (DC).
